THE WIZARD OF THE KAIRA WOODS?
I MEAN, WE BOTH HAVE TO GET ONE EVENTUALLY AND I'VE ALREADY GOT THE PERMISSION TO GO--SO COME WITH ME!
WELL, I DO NEED ONE...
YEAH... HE MAKES STAVES FOR APPRENTICE WIZARDS. I HEARD THAT HE CAN BE A REAL STICKLER. BUT ALL YOU HAVE TO DO IS BUTTER HIM UP A BIT!
YOU ALREADY WANTED TO GO TOO, DIDN'T YOU?
SAYS WHO?!
www.koreanmanhwa.com

AREN'T YOU THE LEAST BIT CURIOUS ABOUT SEEING A 500 YEAR OLD GRAND WIZARD?
OR, HE COULD JUST BE A CRANKY OLD COOT!
I BET HE'S JUST FASCINATING... HEIGHT
DON'T BE SO PESSIMISTIC!
AND SO OUR LITTLE ADVENTURERS TRUDGED THROUGH MUD, BRAVED THE STORMY SEAS, CLIMBED THE HILLS, SCALED DOWN THE VALLEYS, AND FINALLY REACHED THE GRAND WIZARD'S DWELLING.

SAY WHAT? A STAFF?
마법사
HMMM- MMMM...
YES.. BOTH OF YOU?
YES.
I SAY, HE'S TOO WELL FREQUENTED FOR A 500 YEAR OLD.
HMM..
IF YOU'RE TRYING TO STALL, IT'S NOT WORKING.

I FORGOT! I RAN OUT... ...BUT, UM... MAYBE IF YOU GUYS ARE WILLING TO BRING ME AN ITEM I'VE LOST, I'D HAVE ENOUGH TIME TO MAKE YOU AN, EXCEPTIONALLY MAGICAL STAFF...
OH YEAH!
BUT, BUT, BUT... I THOUGHT YOU JUST GAVE THEM OUT TO WHOMEVER ASKED..
THAT WAS WHEN I USED TO HAVE THEM ALL OVER THE PLACE. BUT NOW MY MOOD KNUCKLES ARE TOO OLD AND STIFF TO CARVE STAVES ALL DAY!
HOW 'BOUT IT, HMM?
I'M ALL SERIOUS NOT WEAK KNEE
LIAR!
WHAT DO YOU WANT US TO BRING BACK?
GEE, I LOST IT WHILE PICKING MUSHROOMS AROUND THE COTTAGE. IT'S A LITTLE BLACK POUCH DECORATED WITH A CIRCULAR INSIGNIA.

CAUSE IF YOU DO, I WON'T BE RESPONSIBLE FOR WHATEVER HAPPENS.

A tough battle with cancer

Mi-Kyung Kim

Mi-Kyung Kim is most well known for her incredibly cute art style in Korea. From her works, people might expect her to be a quiet and homebody type but she's quite the opposite - extremely outgoing and active.

How did you come up with the title "11th Cat?"
I just wanted to have a very cute title (lol) Also it means there are total of 11 bishounens in the story.

You must like cats a lot.
Of course. I used to be a dog person, but I've slowly started liking cats more (My family doesn't know it yet though). I have one cat right now that I picked up on the street, and my housemate has two. So we have 3 cats at our place.

You draw such cute characters. What do you think is the cutest thing about yourself?
Everything about me is cute of cour (PUNCH!!!)

What's the most difficult part of the whole comic-making process?
Probably penning and rough drawings. Once I'm stuck on one scene, it's very difficult to progress onto the next scenes. It's like a school exam that you can not finish because you are stuck on one question and can not move on to the next question.

What do you do if you mess up an illustration at the very end?
I usually like to ask for more time and start from again... (Although in a lot of cases, because of time constrains, I try to fix it using computer CG) One time, I spilled ink on an illustration while cleaning up the lines after everything was done. I instantly lost my mind. o_o

Describe your dream man
Etsushi Toyokawa (Japanese Movie star from <Night Heads>) and Yosuke Kubotsuka (from movie <GO>)

What is happiness to you?
To live a comfortable and content life (sorry for the boring answer _)

Mi-Kyung Kim

Come along on the sweet adventure with the cutest wizard ever, Rika!

A cute fantasy adventure of an adorable novice wizard, Rika, and her strange companion, Nomi.
Let's follow their exciting journey to become a true wizard.

1 Rika A novice wizard-in-training who causes a lot of drama because of her clumsiness. She comes across a guardian spirit, Nomi, and travels together to become a true wizard.

2. Eugen Childhood friend of Rika. He ends up saving her from trouble all the time. He is very protective of her, but also nags on her a lot which causes Rika to get upset at him often.

3 Nomi (Guardian Spirit of Black Wishstone) A cute guardian spirit that came out of the Black Wishstone. He likes Rika since she's the first female owner of the wishstone and travels alongside her. He's loud and obnoxious but has quite powerful powers despite his appearance.

4 Sword Master of Black Iron A mysterious character who seems to be in the middle of everything that's going on with Rika. He saved Rika once but his intention is unclear.

The Cutest Characters from the Cutest Creator!

Mi-Kyung Kim has captured a huge fanbase and raging popularity for her cute artwork ever since her initial debut in 1997. However, an even more amazing achievement can be seen in the Doujinshi market where her name alone will bring fans to buy the books without even knowing what the book is about. <11th Cat> is her first ongoing series in Manhwa anthology

Kunron
www.koreanmanhwa.com

Q. How would you describe this series?

K. Hm. That's quite a difficult question. Usually when I point out one element about a series, readers tend to focus on that element only and don't see anything else that I am doing in the story. So I'd prefer readers to find out about my manhwa rather than listening to me describe it.

Q. Tell us about your experience with your first ongoing series.

K. It is nice to be in a bigger and longer running project. I feel like I am accomplishing a lot and not wasting any time (although I did slack off here and there). However I am more grateful for all the new colleagues and fans I meet from working on this project. I even had an assistant for the first time in my life for a while.

Q. What is this photo?

K. It's me holding my cat, Mitz. Ever since this photo was taken I started liking film cameras. (Digital cameras are great, but with film cameras, it feels more like you are really taking pictures.) Sorry for the weird pose of Mitz. (lol)

Q. Who are your favorite and least favorite characters in your manhwa?

K. Well. I hated the Sword Master and Nomi and my favorite is of course the Dark Prince~. The Sword Master and Nomi both wear too much black, that's why I am not too fond of them. But if they don't appear then the pages look too light, so they balance the black and white value of the pages.

K u n i o n
www.koreanmanhwa.com

Q. Did you have a model for any of your characters?

K. Model... Our cats. Although they don't look the same because it was too hard to draw them like how they really look. So I drew them a little simpler and rounder and rounder.

Q. Can you share any interesting story that happened while working on this project?

K. hehe... I usually hang out in the one online community. I never mentioned anything about manhwa in there, but one day, somehow people found out. So I was pummeled with comments and questions. (I was stupid. I mean, my photo is printed right on the book, and I thought people wouldn't recognize me... -.-)

K u n i o n
www.koreanmanhwa.com

Q. Does the Doujinshi world have any special meaning to you? I wonder why you are still more active in Doujinshi market even after your professional debut.

K. It's not because Doujinshi has any special meaning. It's just the freedom that I enjoy. You can create anything you want in Doujinshi, including parodies of other properties. Even when working on original material, you have more freedom than if it were a commercial manhwa. I'm not saying that commercial manhwa is not fun, but I just think there is more variety and freedom in the Doujinshi market.

Q. Any last words?

K. I'm sorry for being late on e-mail replies. I'm not good at that. I think I'm going to reply today, then today becomes a week, and then that becomes a month... and then it feels awkward to reply that late, so I run away from them ^^;;

I would like to thank everyone who read my first ongoing manhwa. And special thanks to all the colleagues and publishing staffs who have been putting up with me and helping me to make a better manhwa. Thank you so much. >o<
